Bosch Car Service: Your Right to Choose

Changes to consumer law in 2010 confirmed that you have the right to choose who services your car.

Bosch Car Service has the expertise to carry out vehicle servicing in adherence to manufacturer's specifications and maintain your log book schedule.

Servicing at Bosch Car Service provides excellent value and won't void your vehicle manufacturer's warranty.

Competence You Can Trust

Automotive technology has changed rapidly, particularly over the last 10 years. Modern vehicles now utilise advanced electrical systems to control vehicle functions. Everything from braking to headlights is now automated, including the advanced safety features.

To properly diagnose and maintain these complex systems, Bosch Car Service technicians have access to advanced technical training and equipment directly from Bosch – a leader in automotive technology and the company behind many of the complex systems in your car.

You can trust the competence of our Bosch Car Service trained technicians. They're always 100% focused on performing the highest level of vehicle servicing.
